# WARRANT FOR TOWN MEETING

MARCH 13, 1945

---

Two Hundredth and Fourteenth Meeting

---

To the inhabitants of the Town of Durham, County of Strafford, and the State of New Hampshire, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall at Durham, N. H., on Tuesday, the thirteenth day of March, A. D. 1945, at ten o'clock in the forenoon to act upon the following subjects:

1. To choose a Town Clerk, one Selectman for a term of three years, a Town Treasurer, a Collector of Taxes, two Auditors, four members of the Budget Committee for a term of three years, one member of the Sewer Commission for a term of three years, and all other Town Officers for the ensuing year.

2. To select one Trustee of Trust Funds for a term of three years.

3. To see what sum of money the Town will vote to raise and appropriate for repair and maintenance to Town Highways and Bridges. (See budget.)

4. To see what sum of money the Town will vote

to raise and appropriate for current maintenance expenses, including County taxes as required by law. (See budget.)

5. To raise and appropriate for the issuance and distribution of printed matter and otherwise publicizing the resources and natural advantages of the Town in cooperation with other towns coordinated in the Seacoast Regional Association, the sum of one hundred and sixty-six dollars (\$166.00). (See budget.)

6. To see if the Town will vote to support United States membership in a general system of international cooperation, such as that proposed at the Dumbarton Oakes Conference, having police power to maintain peace of the world.

7. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the capital reserve fund already established for hydrant line extension, said funds to be kept in a separate account by the Trustees of Trust Funds as provided for in Chapter 160, N. H. revised statutes of 1943.

8. To see if the Town will raise and appropriate the sum of four hundred and forty-three dollars and five cents (\$443.05) to be added to money from the State Highway Department for Town Road Aid. (See budget.)

9. To see if the Town will vote to furnish surety bonds for the Town Officers as required by law.

10. To see if the Town will vote to authorize the Selectmen to borrow necessary money in anticipation of taxes.

11. To see if the Town will vote to allow the usual discount of one per cent for prompt payments of taxes if paid on or before August 1, 1945.

12. To transact any other business that may legally come before the meeting.

Given under our hand and seal this twenty-sixth day of February in the year of our Lord, one thousand nine hundred and forty-five.

## REPORT OF THE BUDGET COMMITTEE

---

TO THE VOTERS OF THE TOWN OF DURHAM, NEW HAMPSHIRE, ASSEMBLED IN TOWN MEETING, MARCH 14, 1944.

Your Budget Committee after considerable deliberation recommends the budget printed in your Town Report with the following comments:

(a) A special subcommittee has studied the subject of town officers' salaries and in view of the growth of town business submits the following report and I quote:

"The selectmen of Durham petitioned this year for an increase in compensation, advancing the argument that much more work has recently been demanded of them than formerly. No increase has been granted since sometime in 1917. Your committee discussed the matter at some length and has agreed to recommend an article in the warrant setting the compensation of the Clerk at \$200 per year, while that of the other two members be fixed at \$150 per year each, an increase of \$75 and \$50, respectively. We recognize full well that such sum will in no sense repay these men for the many hours time and the heavy responsibilities they incur. Rather the amount is an honorarium or payment in token of the appreciation of the citizens of the town for the services rendered. Since the office of selectmen does not and cannot provide a stipend in keeping with the work done, we heartily recommend that this office rotate among responsible citizens. To that end we suggest now that citizens interested in

the well-being of the town consider seriously filing their candidacy for this and other town offices at the next possible opportunity.”

(b) The increase in the Fire Department item is to take care of an increase to \$50.00 per man, the stipend for a call fireman in part.

(c) The Honor Roll item is to take care of the cost of a temporary Honor Roll. In due time after the war it is hoped that the Town will authorize a more fitting memorial.

(d) Due to a recent law passed by the State Legislature, towns may now plan for post-war activities by setting aside sums of money for *specific* purposes. In keeping with this idea as well as continuing the long term permanent improvement idea your Committee recommends the hydrant line item. The labor that would be involved would be furnished by the Highway Department or the town in general.

(e) The timber survey item of \$200.00 may or may not be necessary in order to make the necessary changes required by a recent state law calling for a reclassification of taxable wood land that is making such land a separate item, separated from the remaining portion of a homestead.

Year after year in good times and bad the cry always arises “Keep the tax rate down.” Durham’s rate this past year has been *very* low due to in part to the lack of the usual \$2,000.00 permanent improvement item and the *very* low cost of doing town business. The increased Town Budget will necessitate a rate increase of about \$3.00 per thousand.

Respectfully submitted for the Budget Committee,

W. H. HARTWELL,  
*Chairman.*

## REPORT OF THE CEMETERY COMMITTEE

---

The year 1944 was an unusual one for the Durham Cemetery. Not a single lot was sold and not a single interment was made. Completed payments, however, were made on two lots. All of which speaks well for the healthy atmosphere of Durham.

A number of the young shade trees have died, and as soon as labor conditions permit it is planned to have these replacements made. The hay and weeds were cut at cost and were hauled off for mulch without charge.

The Committee submits the following financial statement:

### *Receipts:*

Horace L. Howes, Lot No. 42, Sec. E (balance in full) .....	\$ 100.00
John S. Reardon, Lot No. 32, Sec. E (balance in full) .....	50.00
War Bonds—interest on \$3,600 .....	90.00
Strafford Savings Bank, interest .....	15.61

## REPORT OF HEALTH OFFICER

---

December 28, 1944.

The following communicable diseases were reported in Durham during the year:

<i>Disease</i>	<i>Number of Cases</i>
Chicken pox . . . . .	2
German measles . . . . .	3
Measles . . . . .	65
Scarlet fever . . . . .	2
Septic sore throat . . . . .	1
Syphilis . . . . .	1

General health work during the year included: control of communicable diseases; inspections of restaurants and barber shops; sanitary analysis of eating utensils, town water, and milk supplies; and investigations of all nuisances called to the attention of the Health Officer.

Respectfully submitted,

L. W. SLANETZ,  
*Health Officer.*

## REPORT OF THE HAMILTON SMITH LIBRARY

---

31 January, 1945.

TO THE DURHAM TOWNSPEOPLE:

1944 brought numerous changes to the Hamilton Smith Library. Many comments point to appreciation of new physical arrangements. The long hall, formerly used only for occasional exhibits and announcements, now houses the catalog, some of the browsing books, and friendly chairs. The loan desk, in the rotunda, is convenient to the entrance and the various reading rooms. The browsing area has been enlarged and a good cross section of books there made available. The periodicals room has been moved to the first floor, so that magazines are easily accessible to the public whenever the library is open.

By arrangement with the selectmen, the library is now closed every evening during vacation periods. A careful check of those using the library Wednesday evenings gave satisfactory evidence that such a move was wise economy and would inconvenience no one. Library hours are, during school session, 8-5, 7-10 Mondays through Fridays; 8-5 Saturdays; 2-5, 7-10 Sundays. Summer school hours will be the same, except that the building will be closed Sundays. Vacation hours will be 8-5, Mondays through Saturdays.

Some changes tending toward simplification and consistency have been made in the registration of library borrowers. Residents of Durham are asked to register once in three years. Visitors may borrow books when sponsored by a resident, otherwise on payment of a \$5 deposit.

Parents and teachers have expressed enthusiasm for the books added to the Charlotte Thompson Room. The shabby and the mediocre are being weeded out, and the best of books for children are being made available as rapidly as possible. Miss Jennie D. Lindquist, who is in charge of the Charlotte Thompson Room, is also reference librarian, and can give only a small portion of her time to work in the children's room. Eventually, however, she will have developed a model collection of children's literature, for the use of parents and teachers as well as of children themselves. She has cooperated closely with the Durham School, telling stories and working with the teachers. (Durham, incidentally, is fortunate in having teachers with a keen appreciation of the value of books for children.)

Since March Miss Lindquist has conducted a weekly radio review *Good Books for Boys and Girls*. On one occasion the boys and girls from the seventh and eighth grades took part in the broadcast, reviewing books of their own choice. Miss Lindquist is also giving summer school courses on children's reading that Durham parents would find well worth attending.

The library staff has been reviewing books for adults on a 15-minute weekly broadcast from Portsmouth.

During the year Durham and the library lost a good friend in the death of Mr. James C. Sawyer. The library is happy to have a number of appropriate volumes, given by various friends in his memory.

Although fewer adult books were read this year than last, 12 per cent more children's books were borrowed, and 75 per cent more magazines. The total circulation (exclusive of the books reserved for college students) was 40,270.

Books in the Library as of December 31 total 132,567. Of these 3,709 are Town of Durham Library books, and 12,120 Durham Library Association. The mortality among Durham Library Association books was heavy this year; 154 more were discarded than were added (451 discards, 297 additions). To the Town of Durham Library collection 318 books were added and 216 discarded.

The town's \$300 appropriation was spent entirely for books for children. It cannot, unfortunately, be stretched to include rebinding, or the replacement of the perennial favorites that are lost or too worn to be rebound. To meet this necessary expense it is urgently requested that the appropriation be increased from \$300 to \$500.

Respectfully submitted,

THELMA BRACKETT,  
*Librarian.*

The town borrowed \$12,500 by notes in 1943 from the Strafford National Bank to purchase the Pettee Water System. During the year the town treasurer received \$500 from the Durham Water Commission and this payment was used to pay \$500 on the principal of the above note.

On December 30, 1944, a town treasurer's check for \$2,000 was drawn in favor of the trustees of the trust funds. This payment was received by the trustees too late to include in their statement as of December 31, 1944. Since then, this amount has been invested by the trustees to the credit of the special fund.

Respectfully submitted,

LEROY J. HIGGINS,

## REPORT OF COMMITTEE TO STUDY TOWN IMPROVEMENTS

---

February 2, 1945.

For the year 1945 the committee makes the following recommendations:

(1) That the selectmen continue to cooperate with the university authorities to make possible the extension of Edgewood Road from its present ending to Main Street. The completion of this street makes possible better fire protection for the western section of the town. The future housing development, due to the projected new state highway, will further intensify this need.

(2) To set aside the sum of \$2,000.00 this year (1945) to be added to the fund ear-marked for hydrant line extension. It is further recommended that the first hydrant be located at the corner of Madbury and Woodman roads, the second hydrant be located on Mill road in the proximity of the old Hoitt property.

This latter recommendation is in accordance with the report submitted to the town, February 23, 1942 (see annual town report, 1941) covering data on fire line extension.

(3) Since any town sewer construction is dependent on the university system being adequate to handle additional sewage, we recommend that the town give thought to the possibility of the town cooperating with the university in a project of improving the college sewer back of Scott Hall and down Pettee brook, so as to handle additional town sewage.

(4) That a fact-finding body continue to serve the town and that citizens submit their ideas on town improvements to such a committee for study and recommendation to the selectmen and budget committee. Such a committee should have a moderate budget to conduct investigations.

## HELP THE WAR EFFORT BY PREVENTING FOREST FIRES

---

NO ONE is exempt from helping to win the war! EVERYONE, regardless of age, has his or her place in the overall effort! Some men, because of age are called upon to bear arms; man ships, submarines and planes; minister to the injured and maintain morale. Women, in larger numbers, are serving with the armed forces as nurses and members of the several women's military organizations—WACS, WAVES, SPARS, etc. War industry has taken millions of men and women whose accomplishments have been the marvel of the world. Civilians at home are doubling up on their activities because of the shortage in manpower, purchasing bonds, assisting in numerous patriotic undertakings, maintaining home morale and, on the whole, carrying on with a cheerfulness and determination that is typically American. Yet, despite the time, thought and effort we are all putting into the war effort in general, we are, true to our peculiar American characteristics, heedless and careless about many important things and one of these is FIRE as it relates to our forests.

Much harm can be done the war effort because of our carelessness with fire. Lumber has gone to war in a BIG WAY! Our New Hampshire forests are contributing their full share insofar as manpower permits. Fire, the greatest enemy of the forests, destroys, during each of these critical years, hundreds of acres of valuable trees that could contribute to the war effort. Forest fires disrupt the war's business by tak-

ing men from their important work in industry and on the farm and reduces production of necessary war materials and food. Forest fires require the spending of much money and material that might otherwise be diverted into vital war channels. Forest fires are, for the most part, unnecessary and avoidable for ninety-eight percent of such fires are, annually, the result of human carelessness—yours and mine. This can and should be remedied—NOW! YOU can HELP THE WAR EFFORT by PREVENTING FOREST FIRES! The rules of the game are simple.

1. *Always* be careful with fire in or near woodlands.
2. Comply with regulations governing the use or starting of fires there. Remember
  - a. You need written permission from your local forest fire warden for debris burning fires when the ground is not covered with snow.
  - b. Be sure your match, cigar, cigarette and pipe ashes are OUT before dropping them.
3. Be fire-minded NOW as never before; be careful; caution others to be careful; be cooperative and thus help your warden, your town, your nation and yourself!

*Help the War Effort by Preventing Forest Fires*

The 1944 fire record for our town is:

Number of fires .....	3
Acreage burned .....	4½ acres
Number of permits issued .....	2

CARROLL NASH,  
*Forest Fire Warden.*

## WARRANT FOR THE DURHAM SCHOOL DISTRICT

---

1945

Town of Durham

State of New Hampshire

To the inhabitants of the School District of Durham qualified to vote in district affairs:

You are hereby notified to meet at the auditorium of the Durham Center School in said district on Saturday, the seventeenth day of March, 1945, at eight o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and to fix the compensation of any other officers or agents of the district.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
7. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of its public schools, for the payment of the statutory obligations of the district and for specially budgeted items as determined or recommended by the School Board in its annual report and as approved by the budget committee.
8. To see if the district will vote to authorize its school board to enter into contracts for the transporta-

tion of elementary and secondary pupils, providing that such contracts do not expire later than the last day of school in June, 1948, and, providing that such contracts are necessary for best serving the interests of the District.

9. To see if the district will vote to have the school board appoint a committee of five to investigate the feasibility of establishing a high school in the Durham school district, this committee to investigate the following possibilities and to report back at a special meeting of the school district within 60 days:

1. The possibility of constructing a new building or the adaptation of an existing one.
2. The possibility of cooperating with the University and of utilizing University facilities until such time as a new building could be constructed.
3. To submit estimates of probable costs to the town and the effect on tax rate.

(This article is inserted because of a petition signed by 34 citizens of Durham.)

10. To transact any other business that may legally come before the meeting.

Given under our hand and seal this twenty-eighth day of February, in the year of our Lord one thousand, nine hundred and forty-five.

# REPORT OF SCHOOL NURSE

1943-1944

TO THE SUPERINTENDENT OF SCHOOLS, SCHOOL BOARD  
AND PARENTS:

I submit my annual report as School Nurse.

Number of children examined, 171

	Number Affected	Report to Parents	Defects Corrected	Receiving Treatment
Underweight . . . . .	42	2	1	1
Defective teeth . . . . .	10	10	4	
Defective vision . . . . .	11	11	10	1
Defective nerves . . . . .	1	1		
Defective tonsils . . . . .	5	5		
Defective speech . . . . .	1			
Defective glands . . . . .	1	1		

## *Communicable Diseases*

Chicken pox . . . . .	4
Measles . . . . .	65
Pediculosis . . . . .	6
Skin diseases . . . . .	2
Mouth infection . . . . .	68

## *Small Pox Vaccination*

Number vaccinated . . . . .	169
Number unvaccinated . . . . .	2
Number excused by board of health . . . . .	2

A medical examination of the pupils of grades one, five and eight was made. Dr. Rudd and Dr. McGregor examined the children. We are planning to make these examinations each year and in this way learn much more about the condition of each child. The Tuberculin Patch Test was used and all reactions were negative.

The Salvation Army has offered, through Mr. Fitts, to help financially with treatments and transportation which could not be had otherwise.

I wish to thank the Superintendent of Schools, the School Board, Teachers, Parents, Doctors and others for their helpful cooperation during the school year.

Respectfully submitted,

RUTH P. HOPKINS, R. N.,  
*School Nurse.*

## REPORT OF THE SUPERINTENDENT

---

TO THE SCHOOL BOARD AND CITIZENS OF DURHAM :

I am privileged to present my sixteenth annual report. Statistics given are for the year from July 1, 1943, to June 30, 1944. The school reports of all districts in the state conform to these dates. Remarks made include the present school year.

The teacher situation throughout the nation is serious but New Hampshire has not suffered yet from the shortage as much as have some of the neighboring states. Salaries paid in more prosperous communities are an inducement for teachers to leave New Hampshire. Durham lost two good teachers to Massachusetts after school closed in June. Miss Jeanne Holt, teacher of Grade 2 and Miss Carolyn Eaton, teacher of Grade 5. Miss Holt was succeeded by Miss Anne Wallace, a graduate of the four-year curriculum of Keene Teachers College. Her methods are "up-to-date" and thorough. Mrs. Ethel Bartlett Wood succeeded Miss Eaton. Mrs. Wood is a graduate of the four-year course at Plymouth Teachers College and was a teacher for three years in Errol, N. H., before coming to us. Mrs. Janice N. Naves resigned as Instructor in Art and we have not been able to secure a successor.

The two handicapped children are being taught in their home by Mrs. Walter Wilbur.

The School Board has made a careful study of salaries and has adopted what seems to be a liberal and sound schedule and one which should help retain good teachers and award their efforts to improve.

The enrollment is practically the same as last year (See Statistics). The work in Manual Training is continued at the University shops under the direction of Mr. L. J. Batchelder.

There are seven pupils from Madbury and one from Lee paying tuition in Durham. At Newmarket, Durham is paying tuition for three pupils in the elementary grades and four in high school, two of them in grade nine, and one each in grades ten and eleven.

High school tuition is being paid for one pupil at Sanborn Seminary in grade eleven and for fifty-seven in Dover High School, divided as follows: Grade 9, 17; Grade 10, 14; Grade 11, 12; Grade 12, 14.

The pupils have been buying war savings stamps and bonds steadily. From the opening of schools in September until the Christmas vacation the value of such purchase was one thousand four hundred thirty-two dollars and ten cents. Last year the schools collected waste paper but this year that is being done by the Grange. The school collected a large number of milk weed pods used for making Mae West jackets. This work was under the direction of Mrs. Funkhouser, director of the Junior Red Cross. No other school in my Union collected so many pods.

All teachers attended the meeting of the State Teachers Association held in Manchester in October. No county or rural institutes have been held and transportation difficulties have made it inadvisable to hold Union meetings for teachers. The superintendent attended the meeting of the American School Administrators held in New York last February. His plans were all laid to attend a similar meeting this year but at the request of the OPA such a meeting has been cancelled.

The transportation of pupils, both elementary and

high school is being well done. Mr. Gahan has two new buses.

The School Board is continuing medical examination of pupils, this year it is to be grades one, five and eight. These examinations have met with universal approval and parents have responded to suggested treatments when defects were found.

A hot lunch is being served for transported pupils and milk from the University dairy is supplied to any pupil at two cents per half pint bottle. The War Food Administration pays two cents and the distributor is paid four cents. The WFA also allows a small rebate on certain foods used as a basis of the lunches and purchased locally.

Your schools have not suffered the pinch of war and there has been no lack of books and supplies. The cost of maintaining your schools is slightly above the state average but the cost per pupil of equalized valuation is below. Durham should not expect to maintain good schools for less money. Economy in education as in most everything else is to get a dollar's return for a dollar expended and I think that Durham is getting this with interest.

The school building has been in use ten years and the interior needs redecorating. The School Board plans to do a little each year to keep the building in good condition. Owing to the man power shortage nothing has been done on the school grounds.

The superintendent continues to supervise some so called Defense Courses at the University and at Scmersworth. The welding school courses will soon be discontinued. Income tax forms, school lunch reports, and other similar activities keep the superintendent and his secretary busy every minute when in the office. What the superintendent should do first he now does

last, that is—supervise instruction. Please note, however, that the number of his visits to your school last year exceeded that of the year before. He regrets that he is not able to keep in closer touch with the people of Durham.

Respectfully submitted,

HOWARD L. WINSLOW,  
*Superintendent of Schools.*
